Thanks to our 2021 Sponsors

We wish to thank our sponsors, along with many individuals in our community, for supporting Windham Hospital’s efforts to achieve its mission of providing outstanding healthcare to our community.

For more information, visit
Dear Golfers and Friends,

This year marks the 27th anniversary of this wonderful fundraiser for Windham Hospital. The success of our tournament is due to the support of the many businesses, sponsors, and players, many of whom have been supporting the event since its inception. Proceeds from this year’s event will benefit the expansion of the Hospital’s Cardio/Pulmonary Rehab Center. Given the myriad of people who suffered severe cardiac and pulmonary-related issues due to the COVID-19 virus and subsequent variants, your support is needed now more than ever.

This year’s event will take place at the Windham Golf Course, which is under new ownership and marks the 100th anniversary of serving golf enthusiasts in the greater Windham community. Many enhancements to the course and property are underway which are sure to make for an enjoyable golfing experience.

A continental breakfast and a barbeque lunch will be served outside. At the end of the tournament, players will be offered beverages, libations, and appetizers.

I hope you will be able to join us on May 25. As we get closer to the tournament, updates on the event, tournament rules, and other pertinent information will be e-mailed to you. Thank you for supporting the Frank D. Vasington, PhD Golf Classic, Windham Hospital, and ultimately the patients it serves.

James E. Watson, MD
Event Chair
