Windham Hospital to host Aug. 10 virtual public forum on childbirth services

Windham Hospital will host a virtual public meeting to discuss a proposal to suspend childbirth services, while detailing plans to enhance women's health programs. The virtual meeting will be held from 6-7:30 p.m. on Monday, Aug. 10. Windham Hospital ranks last in the state for total number of births each year.

Windham Hospital leaders will discuss their proposal to discontinue childbirth services while outlining their strategy to enhance programs promoting women's health services. Leaders will also discuss how community residents will access childbirth services in the future, the plan to continue prenatal and post-partum care and many other service enhancements.

Guests may join via video by using a computer by visiting meet.google.com/nqf-gspf-iut or the Google Meet app on a smart phone by entering the meeting code: nqf gspf iut

Participants may also join by phone by dialing 1-347-467-5942 and entering the pin number 677 504 894#.

Guests are encouraged to enter the meeting early so the presenters can begin promptly at 6 p.m.

Questions will be accepted in writing via the video platform. To submit a question prior to the event, please email Emily.Gravell@hhchealth.org.
